Learning Centre
Booking Policies and Procedures

The Victorian Deaf Education Institute (VDEI) has a Learning Centre onsite to host its Professional Learning Programs, as well as facilitate regular meetings and forums.

In partnership with the Victorian College for the Deaf (VCD), VDEI and VCD share use of the site Monday to Friday during business hours, with all bookings handled directly via VDEI at vdei@deafeducation.vic.edu.au

The Learning Centre is available following the booking procedures.

*All types of use are subject to approval of all terms and conditions by both parties. The Institute reserves the right to decline bookings based on priority of existing bookings.

Policy Principles

An integral part of the VDEI Learning Centre is the provision of professional learning opportunities which extend the educational skills and capacity of the educational workforce, supporting deaf and hard or hearing students in Victoria.

VDEI will have priority use of the venue to conduct its professional learning operations and program objectives.

Learning spaces will be available for hire if the use of the venue:

☐ furthers the educational purpose of the VDEI
☐ supports the vision and strategic goals of Department of Education and Training (DET)
☐ enhances community involvement and relationships

Technical Services

Charges are incurred for booking to cover operational costs, technical services and equipment maintenance. Trained VDEI staff will assist in supporting all internal and external bookings.

Additional services required on request such as Auslan interpreting services or live captioning will be charged at cost rate to VDEI, including booking fees. VDEI will include these additional items on any quotations and invoices to booking organisations for payment.

Booking rates:

Learning Space fees will be charged according to the published schedule of rates

The Learning Centre is operational Monday to Friday, tea and coffee is included. Business and after hours bookings can only be made by arrangement. Subsidised rates are only available to schools, DET Divisions and other Victorian Government Departments, registered Not-for-Profit Organisations with ABN’s and deaf community organisations, who do not make profit.

Acceptable Use and Liability - Property and Insurance

The Department does not hold insurance for personal property brought to schools and has no capacity to pay for any loss or damage to such property. There are VDEI booking forms that are required to be read and signed by all parties making bookings, on behalf of themselves or their organisation covering acceptable use within the Learning Centre, VDEI Learning Centre Booking Forms.
Catering

VDEI uses local and onsite suppliers and recommends them below for all bookings. With the exception of corporate/professional bookings, catering orders need to be organised by the booking organisation/person and payment needs to occur directly with the suppliers not through the Institute. For corporate bookings only, VDEI will include catering within quotations and invoices.

Please find the catering options onsite below. All external bookings may arrange their own catering with any other suppliers, as long as it is served in either of the two approved areas including the foyer or decking areas. Under no circumstances can unsealed beverages or any food be consumed within VDEI Learning Centre spaces.

Catering for your Event:

There are two catering options onsite, which are school programs of the Victorian College for the Deaf (VCD). These options directly support young deaf students in VCAL studies and also deaf adults who gain meaningful work through the café program. The hours of operation and contact details are listed below, as well as an alternative local caterer (who also deliver to us regularly) and on days when the onsite options may not be available.

The caterers listed below both deliver to VDEI Learning Centre just before or during your event at times specified by you and cannot be stored hours in advance of bookings. You will need to organise your order, requested delivery times and payment directly with these caterers.

**Payment options can be organised between your organisation with these caterers, including direct invoicing or payment on the day, as the Institute cannot pay or redirect invoices to you.
